## EDUCATION

---

**Stanford University**, J.D. 2015, Ph.D. in Political Science, 2020

Articles Editor, *Stanford Law Review*

**Harvard University**, A.B. in Social Studies, 2008, *magna cum laude*

## RESEARCH

---

### Administrative and Immigration Law

[\*The Unexamined Law of Deportation\*](#), 110 GEORGETOWN L. J. 973 (2022) (showing empirically that criminal convictions largely determine who is deported and arguing normatively that such prioritization by criminality is only rarely justifiable).

[\*Executive Control of Agency Adjudication: Capacity, Selection, and Precedential Rulemaking\*](#), J. L. ECON. & ORG. (2022) (with Daniel E. Ho, Mark Krass, and Anne M. McDonough) (evaluating the Trump administration's methods of controlling the immigration courts).

[\*Reviewing Administrative Review\*](#), 38 YALE J. REG. 1059 (2021) (proposing theory of administrative review, testing theory with Social Security Appeals Council data, and finding that review promotes uniformity as a result of litigants' decisions about whether to appeal).

[\*Sanctuary Policies Reduce Deportations Without Increasing Crime\*](#), 117 PROC. NAT. ACAD. SCIENCES 27262 (2020) (evaluating effect of sanctuary policies). Coverage in the [Washington Post](#), the [Hill](#), the [Chicago Tribune](#), [Philadelphia Magazine](#), the [Volokh Conspiracy](#), and [Cato @ Liberty](#).

[\*The Failure of Immigration Appeals\*](#), 164 U. PENN. L. REV. 1177 (2016) (finding that immigration appeals fail to moderate disparities across immigration judges because harsh immigration judges evade review by preventing noncitizens from finding counsel).

## Working Papers

[\*The Danger of Rigged Algorithms: Evidence from Immigration Detention Decisions\*](#) (working paper) (measuring the effect of ICE’s 2017 decision to remove the “release” option from its detention risk assessment algorithm).

[\*Identifying Opportunities to Improve the Network of Immigration Legal Services Providers\*](#), Immigration Policy Lab Working Paper (with Vasil Yasenov, Michael Hotard, Duncan Lawrence, Alexandra Siegel, Jessica S. Wolff, David D. Laitin, and Jens Hainmueller).

[\*When Police Sabotage Reform by Switching Tactics\*](#) (with Dorothy Kronick) (working paper) (documenting police sabotage of reforms in Chicago).

## Other Topics

[\*Rights, Redistribution, and the Political Economy of Disability Discrimination Laws\*](#), J. L. & SOC. INQUIRY 1 (2021) (with David Freeman Engstrom).

[\*Measuring the Economic Effect of Alien Tort Statute Liability\*](#), 32 J. L. ECON. & ORG. 794 (2016) (with Darin Christensen).

## Shorter Pieces

[\*Brevity, Speed, and Deference: An Account from the Williams Chambers\*](#), 38 YALE J. REG. 745 (2021) (with Daniel E. Ho & Anne Joseph O’Connell).

[\*When Congress Requires Nationwide Injunctions\*](#), 91 COLO. L. REV. 835 (2020) (symposium issue).

[\*Nationwide Injunctions and Nationwide Harm\*](#), 131 HARV. L. REV. FORUM 49 (2017) (with Spencer Amdur) (cited in *Trump v. Hawaii*, 138 S. Ct. 2392, 2429 (2018) (Thomas, J., concurring), *California v. United States*, 941 F.3d 410, 421-22 (9th Cir. 2019) and *City of Chicago v. Barr*, 957 F.3d 772, 802 (7th Cir. 2020)).

[\*Time, Due Process, and Representation: An Empirical and Legal Analysis of Continuances in Immigration Court\*](#), 84 FORDHAM L. REV. 1823 (2016) (with Jayashri Srikantiah) (symposium issue) (cited in *Hernandez Lara v. Barr*, 962 F.3d 45 (1st Cir. 2020)).

Note, [\*How Congress Could Reduce Job Discrimination by Promoting Anonymous Hiring\*](#), 64 STAN. L. REV. 1343 (2012).

## SELECTED PRESENTATIONS

---

Michigan State University Law School, Faculty Workshop, *President Trump and Immigration Law*, April 12, 2021.

UCLA Emerging Immigration Scholars Workshop, *President Trump and Immigration Law*, February 12, 2021.

AALS New Voices in Administrative Law Session, *Reviewing Administrative Review*, January 11, 2021.
